

DEAR FAMILIES

4 SEPTEMBER TERM 3, WEEK 6

The journey ahead.

We often talk to students about their learning journey and their life journey. We look at how people and situations change. Many of the books of the Bible also talk of learning journeys through life and faith. The book of Ruth is in the Old Testament and tells of a life journey of one Jewish family's struggles for survival. It is a short book with only four chapters.

Elimelech and Naomi his wife, and their two sons are escaping famine. Sadly, ten years later we see Naomi mourning the loss of her husband and two sons. She seems to be left alone with her two daughter-in-laws in a foreign land and no hope of future happiness. However, whilst Naomi seems to have forgotten her dreams, God had not forgotten her. We watch as God restores her joy through an unlikely chain of events. The story is a short but powerful reminder that as it says in the book of Romans, "All things work together for good to those who love God."

As a school, we want to ensure every school family has continued access to a bible. Please let the office staff know if your family needs a bible to read about Naomi and Ruth and many others and their journeys in life that can teach us about our life today.

GRADE 2 WRITING

Recently some writing appeared on my desk. Well done Grade 2! While I don't agree with all the content, the arguments that you put forward are (almost) convincing. 😊

We should have animals at Northern Christian School

By Morgan Bannister

Firstly I believe that if we have animals Northern Christian school we can play with them at recess and lunch. We should have them because it will help us to listen more.

Secondly, another reason is that they are cute and that they are fun. I believe that it will help us learn about them and we must have them here.

How would we feel if they made us happy when we are sad? I strongly believe that we can snuggle with on the mat and we can feed them and train them to do tricks.

In conclusion, we should have animals at Northern Christian School.

No internet for kids!

By Samuel knight

Kids should not go on internet

Firstly, I strongly believe no one should have internet so people will not go blind. We don't want people focusing on screens too much and lose their eye sight.

It is bad for people's brains, You must agree
You must agree that it can kill a lot of brain cells.

I also believe if people do not go on internet they can play real games with their family. People can play games like Payday and pop the Pig. It is so much fun!

In conclusion, kids should not go on the internet!

Kids need dirt bokes

By Kobey Brownlow

I strongly believe that we need dirt bikes.

The first reason is if we have dirt bikes it will make school fun. We should have quads as well for the younger ones. This means all students will be having fun

Secondly there would be more students at NCS and we love dirt bikes. If we have dirt bikes kids would not be sad anymore.

Thirdly the school will be happy if the kids are having a good time not a bad time. If the school is happy the principal will be happy.

We all must agree that school would be going crazy in a good way it would be so fun.

All kids need a phone

By Vincent Gordon

You must agree that all kids need a phone because it will keep your kids busy because phones are so much fun to play on.

Secondly we can learn how to play amazing games. We all know that phones are amazing because you can play games on them.

You must agree that phones are so much fun.

We all know that all kids want a phone. So they can chat and play games with their friends.

In conclusion, you must realise all kids need a phone just like adults.

BOOK FAIR

A big thanks to all parents, carers, families and volunteers for your wonderful support during the Book Fair Week. We were able to receive just over \$1000 in books and resources for the library and classrooms, which I'm sure you agree, is an amazing blessing! The students will see the new books appearing on the library shelves as soon as they can be catalogued and covered. A big thanks from the teachers also to parents and families who donated books on the teacher's wish lists - they will no doubt be well used and are received with deep thanks and appreciation.

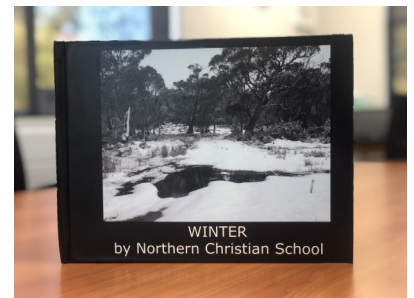

Mrs Linda Rowlings—Librarian

REMINDER

Please note that Mrs Essex is on leave from today and will return on November 1st. Miss Armstrong is Acting Principal and can address any issues. As usual, your child's classroom teacher is your first point of contact.

WINTER PHOTOGRAPHY WINNER

Congratulations to our winners and we hope you enjoy your Winter book.
